

**Adams and Jefferson County Hazardous Response Authority
FIELD OPERATING GUIDELINES**

EMERGENCY RESPONSE PLANNING

F.O.G. #: 707

**CATEGORY: Hazardous Materials Response
Unit Locations**

DATE: October 26, 2018

PAGES: 1

I. Purpose:

- A. To define the Hazardous Materials Response Unit Locations.

II. Guideline:

- A. Hazardous Materials Response Unit Locations: **Appendix E** provides a map that describes the locations where the AJCHRA Hazardous Materials Response Units are located.
- B. It should be noted that these locations are subject to change due to staffing needs within the individual fire jurisdictions.
- C. Any long-term location or major status changes shall be reported to Jeffcom Communications Center to notify all team members by way of a Full Team Page Message.

III. References:

- A. Appendix E
